STEPS TO TAKE WHEN YOU’VE LOST A PET

1. Walk around your neighborhood - remember to take a leash or carrier and a tasty treat

2. Make sure your pet’s microchip registration is up-to-date, and notify the registry that your pet is lost

3. If you’re not sure where your microchip is registered, check PetMicrochipLookup.org

4. Contact local shelters, rescues and veterinarians

5. Report lost pet on community sites such as Nextdoor, PawBoost, PetFBI, Finding Rover, Facebook, and PetHub

6. Create a Lost Pet Poster and distribute it locally

7. Notify your veterinarian

8. Locate important ownership paperwork
